What is Dorcas Camp?

Dorcas Camp is designed to provide a positive, friendly atmosphere for daughters, moms and mentors. There are opportunities to fellowship with one another and learn a variety of crafts and needle-arts or just enjoy the beauty of our 42- acre setting.

Here you can enjoy a time of rest, reflection and spiritual growth amidst a peaceful tranquility far away from your normal hectic pace of life.

Campers are asked to display positive attitudes, consideration for others and develop and share their talents with their sisters of all ages.

Dorcas Camp is committed to a mentoring philosophy. In our society today, many families strain to maintain relationships over long distances. Many moms and daughters are separated from close kin by many miles – enough to create great disadvantage for strong meaningful relationships and support networks. And that is one reason Dorcas Camp was established. We have a vision and sense of urgency to stand in the gap through the gift of mentoring, especially for the benefit of young moms and young girls – our hope for the future. The Lord has blessed this vision and provided a wealth of dedicated mentors with a wide variety of skills and talents who are committed to the purpose. Mentors are available at all times to guide, teach, comfort and encourage participants.

We would be delighted to have you join us for fun, food and fabulous fellowship.

What is the Dorcas Circle?

This is an ongoing activity area where participants have the option of bringing their favourite unfinished or current project and join in the fellowship. There is bound to be someone else available if you need assistance and it is more fun to sit and chat while you work.

We encourage the option of continuing techniques (Linea, cross stitch, sewing, smocking, embroidery, knitting, crocheting etc.) or to complete unfinished projects. You are also welcome to bring along any other craft you enjoy doing but never find enough time to do!

Co-op Day Care:

If there is sufficient interest and support a co-op daycare will be established for Moms with children up to 5 yrs old while they are involved in a scheduled class. You will be expected to take turns manning this daycare when you are available and others are at a class.

Please sign up on the schedule **ALL** the times you are available so that a schedule can be drawn up. You will receive a copy of the schedule in your registration package when you arrive at the camp.

Anyone else interested in being a Blessing by helping out in the daycare please sign in the time slots you are available and **THANK-YOU FOR YOUR KIND CONSIDERATION**

Meet your Mentors for Dorcas Camp 2017

Marilyn Sutor has enjoyed Dorcas Camp for fifteen years now. Her Favourite hobby is Pine Needle Basketry using materials from nature. She enjoys reading Christian non-fiction and poetry. She currently volunteers for Indwell, a Christian apartment complex for mentally ill tenants who can live on their own. She also enjoys gardening, her newest 2 year old granddaughter and she loves being a senior citizen!

*S*arah Hardy-Matthews is a busy mom of 4 children. When she is not busy with her family, she loves her job as a nurse at Mac. She came to Dorcas camp for the first time 4 years ago and fell in love with the fellowship, crafts and people. She's looking forward to making more memories this year.

*R*ita Stratford is a believer in Jesus Christ and a member of Word of Life Church Community. She and her husband are blessed with five children and three grandchildren. Together they live on a farm property outside Waterford where they raise livestock and most recently, a small herd of sheep, allowing Rita the opportunity to learn how to process, spin, and weave raw wool. Rita is the steward of a women's co-operative that functions as a fibre farm blending the marketplace with the ministry. Rita's favourite pursuits are faith, family, and the fibre arts making Dorcas Camp, in her words, "a very special place!".

*M*elanie Witschi

Melanie was and is still being raised on a chicken farm, with 2 sisters and 2 brothers. She loves doing crafts and is looking forward to teaching a class at camp this year.

*R*amona and her husband T.J. just recently became parents to a little girl named Addilyn and are enjoying parenthood. Ramona likes to do crafts, and enjoys attending Dorcas Camp every year.

*I*rene English is the mother of 6 lovely girls, and grandmother of 14 beautiful grandchildren, 3 of whom married. She now enjoys 5 great grandchildren! “We DO believe in multiples!” Irene and her husband are retired and love to follow their dreams of seeing Canada. They have tented from Vancouver Island to the farthest point East on Newfoundland and back as well as in many places in the US. She spent 45 years working in a Hospital Lab. Clay is an integral part of her life- she used to do up to 6 Worthy Vessels yearly but hasn't done any for the last two years. Hope to go back to potting this year! As a child she learned to knit, crochet and sew, providing many projects used by her family. She has been recuperating from a stroke a year ago and is looking forward to being more active this year!

*T*heresa Salverda has been with Dorcas Camp off and on since the early years, sharing her gifts and skills with a variety of craft projects. She has also been passionate and faithful as leader of Precept Bible Studies for the past 14 years at Selkirk Christian Chapel. This year Theresa is back again as mentor for the Sr. Girls' Program.

*M*onika Witschi and her husband live on a chicken farm in Jarvis with their five children. Monika has always enjoyed crafts and growing in God's Word. Monika and her three daughters look forward to Dorcas Camp every year.

*R*ebecca Coombs and her husband enjoy decorating their apartment creatively and having people over, especially to draw closer to God. Since they got married they have lived in a cozy apartment in downtown Barrie. Their wonderful daughter is almost three. Coffee dates and anything to do with My Little Ponies are her favourite. When she has some time she loves adventures, playing guitar, hanging out at a youth Centre and almost any craft that has quick results. Rebecca is looking forward to getting to know everyone at Dorcas camp and making awesome memories! Rebecca will be joining us as our Music leader for chapel and campfire time.

*G*lenna Marriage has been sewing most of her life and recently realized her dream of completing the Fashion Design Course at Mohawk College. The arts of smocking, embroidery, cross stitch, crocheting, silk ribbon and hemstitching have also kept her busy over the years, learning and teaching these skills. She's been a long-time member of the Grand Smockers and has been coming to Camp since its inception. Glenna is married with four children and nine grandchildren, two of whom will be getting married in the next couple of years.

*E*rla Wilson: Dean of Dorcas Camp is an avid stitcher and founding member of the Grand Smockers Guild. Erla, her husband, Ken, and daughter Sarah live on a quiet dead end street near the Grand River in Cayuga. Erla started her business "Country Garden" in 1986 when she decided to remain at home with her two young children instead of returning to a nursing career. She now enjoys gardening, sharing her skills as a stitcher and being a Grandma to 3 darlings. "Grandmothers are just "antique" little girls."

Evening Chapel Time With Anieta DeBoer

I am the mother of a dozen children and the grandmother of fifteen grandchildren. My husband, Ben and I are dairy farmers near Selkirk and love the privilege of living in the country. We are also a foster family and have fostered for over 35 years, meeting the needs of over 100 children. Presently we have five children at home. When asked how we do it, there is no doubt in my mind that we do it one day at a time and only by the grace of God and with His unfailing love for us. Each day brings new joys and challenges and we are privileged to be able to share our lives with the children who need us.

Prepare Your Heart

Dorcas Camp is a great time for rest and refreshment.

You do not have to make meals or even make your bed (but you have to sleep in it☺). We suggest you use this time away for a time of personal refreshment, reflection and an opportunity for spiritual growth.

With this in mind here are a few suggestions of how to prepare:

Make yourself a cup of tea.

Take a few minutes (even 15 min. ☺ each day), pray, open your Bible and read from one of the following:

Titus, Psalms, Proverbs.

Pray for the mentors for this year's camp

Pray for those who will attend this year.

Pray for whom *you* should invite to come this year- be confident and trust God to lead you.

- ♥ Coordinating fabric for the smaller squares, and rectangles around it and a couple of larger ones for the panel and pocket on the left.
- ♥ You will also need a larger piece to cut bias strips for the border, and thread to match fabrics.
- ♥ A quarter inch foot for your machine is a **great** asset. (Prefer a kit? Fee: \$15)

Smocked Beaded Christmas Ball Mentor: Erla Wilson

Embellished Tee Mentor: Glenna Marriage

In this session, we're going to take a plain t-shirt from drab to fab. We'll embellish it with hand-made flowers, fancy braid, bits of fabric (denim, chiffon??) buttons, beads, fabric markers or sequins or whatever your imagination dreams up. I have a great number of ideas to present, but no specific template for everyone to use. We're going to tap your imagination and end up with a one of a kind designer top. If you have a piece that you think would work as a basis for your projects, please bring it along.

Required for this class: T-shirt (preferably with a v-neck or scoop neck), scissors, standard sewing kit. Class Fee: \$2.00

X-stitch a card. Mentor: Irene English

Please **bring** scissors. Kit Fee \$3

My Burden Bear Mentor: Marilyn Sutor

A joy to make, keep for yourself, or give away. No eyes to judge, no mouth to tell your secrets, just ears to hear you and arms to hug you.

Bring sewing needles and scissors.

Kit Fee: \$3

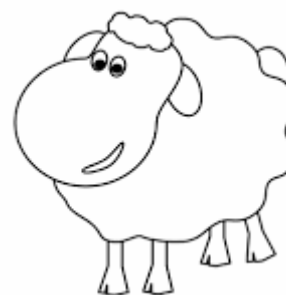

Recognize anybody in this picture? Where you here??

Memory Lane Photo Mentor: Irene English

Bring a picture at least 4"x4" and Irene will show you how to mount it.
Kit Fee: \$2

Fibre art craft! Mentor: Rita Stratford

Rita will be bringing to Dorcas some of the fleece from her flock of sheep. She will be bringing her spinning wheel so she can demonstrate and teach the process of taking fleece in its raw state and transforming it into wool yarn, ready for knitting, crocheting, weaving and crewel embroidery. But her class will involve taking the raw fleece, dyeing and wet felting it into a piece of usable fabric which can then be used to make a coaster or ornament, and embellished or decorated with buttons, hardware or embroidery stitches. See what you can do with a little fleece!

Washi Tape Fun Mentor: Glenna Marriage

One of the hottest crazes right now are projects decorated with washi tape, which comes in beautiful bold and lively colours and patterns. The two ideas shown here are lilipop tags, and decorating a recyclable tin. Very popular too are: decorated cell phones, ipods, ipads, switchplate covers, memo books, etc. At this class, you will receive your choice of 4 rolls of various sized tape, to decorate an item of your choice. If you just want to try it out, I will have Tetley Tea tins available that make nice treasure pots, or a receptacle for a gift. Class size will be limited to 15.

Required for this class: paper scissors, something to decorate, or **please indicate on your order form if you require a Tea Tin.**

Class Fee: \$8.00
